BACKGROUND

Since 2012, Angela R. Brown Construction, LLC has provided professional construction services in Georgia.

We began our service as a residential maintenance provider, repairs for insurance claims damage (including storm, water, and wind), and we progressed to servicing the commercial construction industry in 2016, our focus.

As a Woman Owned Small Business headquartered in Douglasville, Georgia we maintain resources capable of supporting commercial projects throughout the State of Georgia.

We pride ourselves on quality, reliability, creative solutions, on-time performance, and within budget.

Our core market segment includes K-12, Higher Education, and other government entities.
